DENVER ZOO

DESIRE
GH Phipps would be honored to work with the Denver Zoo. Since 1952 we have been a proud partner serving the icons of our community:

- INVESCO Field at Mile High
- Colorado State Capitol
- Denver Museum of Nature and Science
- Denver Health and Hospital Authority
- The Children's Hospital
- City Park Pavilion
- Denver Botanic Gardens

SAFETY
National Award Winner
2009 AGC Construction Safety and Excellence
First Place - Building Category - 700,001-1 million hours

- Animals
- Guests
- Zoo staff
- Construction employees

APPROACH
Unique, challenging, one-of-a-kind projects are what we do best:

- Complex campus remodels
- Safety in tight construction areas
- Mission critical systems
- Challenging logistics and phasing

ENVIRONMENT
We are all stewards of the earth, from sustainable buildings to sustaining endangered species. To GH Phipps this is not just a rewarding project but a legacy to be passed on to our children.
